RESIDENT GUIDE
Kitchen + Bathroom

KEEP YOUR DRAINS FLOWING

Small habits help prevent clogs, backups and costly repairs.

TOILETS: Only human waste and toilet paper.

BATHROOM

Keep these out

- Baby / cleaning wipes, even if labeled "flushable"
- Paper towels and diapers
- Feminine hygiene products
- Cotton swabs, balls and makeup pads
- Dental floss and hair
- Medications and other chemicals

KITCHEN

Keep these out

- Grease, oil and cooking fat
- Food scraps or large amounts of food
- Coffee grounds and eggshells
- Rice, pasta and foods that expand
- Paper towels and wipes
- Harsh chemicals and paint

BETTER HABITS. FEWER BLOCKAGES.

1 BIN IT
Put wipes, hygiene items and food scraps in the trash.

2 COOL IT
Let grease cool; collect it in a container for disposal.

3 DISPOSE SAFELY
Use appropriate disposal for medications, paint and chemicals.
